EC CERTIFICATE OF FACTORY PRODUCTION CONTROL 1434-CPD-0121

In compliance with Council Directive 89/106/EEC of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (the Construction Products Directive or CPD), as later amended, it has been stated that the construction product :

Paving grade bitumens

suitable for use in the construction and maintenance of roads, airfields and other paved areas
(details of application and a list of product grades can be found in the appendix to the certificate)

placed on the market by :

LOTOS Asfalt Sp. z o.o.
ul. Elbląska 135, 80-718 Gdańsk

and produced in the factory :

Production Plant Czechowice
ul. Łukasiewicza 2, 43-502 Czechowice-Dziedzice

is submitted by the manufacturer to the initial type-testing of the product and a factory production control and that the notified body – Polish Centre for Testing and Certification – has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in the Annex ZA of the standard :

PN-EN 12591:2010
(EN 12591:2009)

were applied.

This certificate was first issued on November, 2, 2010 and remains valid as long as the conditions laid down in harmonised technical specifications in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
